To the **Honorable, Nelson S. Roman**, US District Judge:

INDEX#13 CVR 3315

I am writing this letter to inform the court that Russell Smith Attorney, representing **Llewellyn Angelo Williams**, in **case #13 cvr 3315**. Mr. Smith has ignored several requests to write a cease and desist letter on my behalf to the City of New Rochelle Police Department and the City Attorney.

There has been no discovery done by Mr. Smith's on the behalf of **Llewellyn Angelo Willliams** regarding this matter.

I had to hire an attorney find out if the new law that the City of New Rochelle, implemented on booting and towing was filed with the Secretary of State. The findings were, no such filing was found.

1) The licensing fees associated with the booting and towing laws were also not approved by NYS.
2) Mr. Smith was supposed to list this information in the discovery paperwork to the court. This was not done.
3) Mr. Smith was asked to file an injunction on my behalf to stop the citation and the harassment of the Police department. If there is no law on the books there should be no citations or harassment by the City of New Rochelle.
4) Mr. Smith was to respond to the second summary Judgment per my request. Mr. Smith did not respond in timely manner. The City attorney, sent 3 citations with ABC towing name on the citations, but they wrote tickets to Bobby Wheeler (The Black Man). ABC towing was allowed to boot cars without a license for seven months straight. (see attached log). Only when Bobby Wheeler called boots in under ABC towing the police were called and cited Bobby Wheeler for not having a proper license. Meanwhile, Mark Clancy, owner of ABC towing had never been cited for booting cars during that time period.
5) Your Honor, I need you too please ask Mr. Smith to please do his job or release him from my case. Please see two other
6) Attachments with this paperwork to verify.

Re: Cease and Desist Harassment of Angelo Williams

To The City Attorney of New Rochelle:

Please allow this letter to serve as a demand that you cease and desist in the harassment of Angelo Williams, and as notice that if such harassment continues, an additional ten million dollar ($10,000,000) lawsuit will be filed in Federal Court.

The undersigned has been illegally, unfairly and in a biased manner targeted by the New Rochelle Police Department and the City of New Rochelle, and this letter serves as a demand that such illegal treatment cease and desist immediately. The undersigned has conducted a search of the Department of State, Division of Corporations, State Records and UCC online public database, which contains no record that any amendment or revision of Chapter 316 of the New Rochelle City Code has been filed with the State of New York since 2006. Under the Municipal Home Rule Law, Section 27(1), municipalities are required to file local laws with the Secretary of State within twenty (20) days of final adoption. The failure to do so renders such laws ineffective. Thus, the February 12, 2013 amendment of Chapter 316 of the New Rochelle City Code by Ordinance No. 29-2013 is invalid and has no basis to be enforced. In addition, the unapproved licensing fee is invalid and has no grounds for enforcement (See Portchester Licensing). And don't stop "Booting" in New Rochelle.This letter serves as notice that any further harassment of the undersigned will result in full legal remedies being taken by the undersigned.

Thank you very much for your consideration in this matter.

Sincerely,

Angelo Williams
